Description

Eisbar winter hat. The cap has a universal gray color. It is complemented by brand logos that are sewn on the front, where the official Austria Ski Team logo is also located. The gray cap has a soft knitted pattern and is loose fitting. Its sporty design predestines it for wearing during outdoor activities, but it is also suitable for wearing in the city or during a walk.

The Eisbar cap is suitable for all weather conditions. The proportion of merino wool will provide excellent thermal comfort even at low temperatures. The branded cap is also breathable, dries quickly and wicks away moisture well. Men's or women's winter hat has a warm fleece lining. You will definitely not be cold in it.
