### Description

Eisbar winter hat. The classic cap for winter in a loose cut is intended for all lovers of an active lifestyle. The branded cap is in the popular blue color. The cap is decorated with brand logos on the sides and between them is the official Austria Ski Team logo.

The Eisbar cap is suitable for any weather. Thanks to the pleasant material containing merino wool, the blue cap will protect you from the cold as well as the wind. It provides excellent thermal comfort. The ribbed bottom hem ensures that the merino hat stays in place and does not move. The branded cap dries quickly. Effectively wicks away moisture while maintaining high breathability. Thanks to the additional inner band made of pleasant fleece, it will keep your ears warm even on the coldest winter days.
