Description

Eisbar winter hat. The women's winter hat delights with a pom pom made of artificial fur, which gives it a touch of luxury and elegance. The cap is in a universal gray color, so it is easy to combine. It is made of pleasant material with a proportion of merino wool, so it will keep you warm in winter. The gray women's cap has a pleasant inner lining. The trendy chunky cable pattern makes this merino hat a timeless and elegant companion in the cold season.

The beanie hat provides excellent insulation in low temperatures, dries quickly and effectively wicks away moisture while maintaining high breathability. Thanks to the additional inner band made of pleasant fleece, it will keep your ears warm even on the coldest winter days. The Eisbar women's hat simply belongs to a stylish woman.
