Description

Eisbar winter hat. The cap has a distinctive orange color that will make you stand out from the crowd. It is made of pleasant material with a high proportion of merino wool, so it will definitely keep you warm in winter. Excellent thermal insulation even at low temperatures. The merino hat has a classic cut and is suitable as a women's winter hat as well as a men's winter hat. It is decorated with the inscription of the brand.

Rewoolive's improved material mix consists of 55% fine, shrinkage-resistant merino wool (no mulesing, no chlorine) and 45% polyester from 100% recycled consumer bottles (GRS - Global Recycled Standard).

The Eisbär cap wicks away moisture perfectly, so it is also suitable for all-day wear during outdoor sports and in any weather. It is sufficiently breathable and dries quickly. The orange cap was also made from recycled materials and awarded Eisbär's "Blue Bear" sustainable quality seal.
