Description

Trezeta women's shoes. Women's boots will attract attention with a trendy design. The fur in the upper part adds flair and style to the winter footwear. Winter boots are nice-to-have footwear that stylish ladies cannot miss. Winter boots for ladies have classic lacing, thanks to which they adapt well to the foot.

The main part of the upper is made of thermoplastic material, which is extremely durable. Boots for ladies are waterproof and provide excellent protection against cold and frost. The inside of the shoes will keep you warm and pleasantly warm on cold days. The articulated sole with good grip is anti-slip. Black boots are the perfect choice for winter vacations, leisure time and casual wear.

Note: To keep Yuki shoes perfectly dry, we recommend storing them in a well-ventilated place.
