Description

Blizzard men's jacket. The ski jacket impresses with its three-color design. The upper part of the windbreaker and the hood are in a distinctive yellow color. The strong point of the ski windbreaker is its excellent water resistance and breathability. A ski jacket is a guarantee of a high degree of mobility.

The ski jacket has a practical hood that comes in handy in windy weather. Extra durable YKK zippers are a plus of the windbreaker for skiing. A pleasant lining ensures comfort. The snow belt prevents snow from penetrating the jacket. Two side pockets and two inner zipped pockets will hide everything you need. There is also a ski pass pocket on the sleeve. The blue Blizzard jacket is the right choice for skiing, winter sports and winter outdoor activities.
