Description

Blizzard men's jacket. The ski jacket is designed in a modern sports design. The strong point of the ski windbreaker is its excellent water resistance and breathability. Taped seams are a plus. A ski jacket is a guarantee of a high degree of mobility. Thanks to the classic cut, the waterproof jacket fits every body type.

The ski jacket has a practical removable hood that comes in handy in windy weather. Extra durable YKK zippers are a plus of the windbreaker for skiing. A pleasant lining ensures comfort. The snow belt prevents snow from penetrating the jacket. Two side pockets and two inner zipped pockets hide your mobile phone, keys and other small items.
