### Description

Blizzard brand skis. These quality branded skis are intended for performance skiers. Featuring a Trueblend Piste wood core and Active Carbon Armor vibration damping system, you can carve turns as fast as you dare on any groomed piste. With a radius of 13m, Blizzard skis provide turning versatility.

Downhill skis also stand out with their modern design and execution. The trendy black-orange combination is stylish and looks very professional. Emphasis on details, that exactly describes the Thunderbird skis. Embossed Blizzard logo, matte-gloss finish or gunmetal finish.

Binding is included in the price of the skis.
