### Description

Blizzard women's helmet. Thanks to the Double Inmold technology, the ski helmet is light, strong and durable. The advantage is the continuously adjustable size of the helmet. There is also adjustable ventilation, which is a guarantee of optimal breathability.

The ski helmet with soft padding provides great wearing comfort. A bonus of the skiing helmet is a clip for attaching ski goggles. The women's helmet is ideal for sports activities during the winter season.

Take [a functional Blizzard cap](#) under your helmet , which has several advantages. For hygienic reasons, the helmet lining does not need to be washed so often, and for practical reasons it is another thermal insulation layer. The cap is designed so that you hardly feel it under the helmet.
