### Description

Blizzard brand ski helmet. The skiing helmet is designed in a modern sports design. The strength and durability of the ski helmet is guaranteed by Inmold technology.

Adjustable ventilation ensures excellent air circulation. The plus of the ski helmet is the antibacterial lining. The ski helmet is easily adjustable, the size can be easily adjusted. The blue helmet is the best companion for skiing and winter sports. The Blizzard helmet must not be missing in your ski equipment.

Take [the functional Authority cap](#) under your helmet , which has several advantages. For hygienic reasons, the helmet lining does not need to be washed so often, and for practical reasons it is another thermal insulation layer. The cap is designed so that you hardly feel it under the helmet.
