### Description

Blizzard women's ski helmet. The ski helmet impresses with its design of clean lines. The ski helmet is designed with functionality in mind. The plus of the ski helmet is the soft and warm lining, which is also antibacterial. A ski helmet for ladies is a nice-to-have addition to ski equipment.

The vents provide excellent air ventilation. The ski helmet is easily adjustable, the size can be easily adjusted. The white helmet for ladies is a great choice for skiing and winter sports. The Blizzard helmet must not be missing in your ski equipment.

Take [a functional Blizzard cap](#) under your helmet, which has several advantages. For hygienic reasons, the helmet lining does not need to be washed so often, and for practical reasons it is another thermal insulation layer. The cap is designed so that you hardly feel it under the helmet.
