Description

Women's helmet brand Blizzard. The ski helmet will delight with its modern, sporty look. The strength and durability of the ski helmet is ensured by the reliable Inmold technology. A women's helmet should be a part of women's ski equipment.

Adjustable vents ensure excellent air ventilation. A plus of the ski helmet is the removable soft and warm lining, which is also antibacterial. The ski helmet is easily adjustable, the size can be adjusted as needed. The black helmet with pink elements is a top choice for skiing and winter sports.

Take [a functional Blizzard cap](#) under your helmet, which has several advantages. For hygienic reasons, the helmet lining does not need to be washed so often, and for practical reasons it is another thermal insulation layer. The cap is designed so that you hardly feel it under the helmet.
