Description

Women's helmet brand Blizzard. The ski helmet is designed in a modern, sporty look. Inmold technology guarantees the strength and durability of the ski helmet .

Adjustable ventilation holes ensure excellent air circulation. The advantage of the ski helmet is the soft and warm lining, which is also antibacterial . The ski helmet is easily adjustable, the size can be adjusted as needed. The white helmet is a top choice for skiing and winter sports.

Take [the functional Blizzard cap](#) under your helmet , which has several advantages. For hygienic reasons, the helmet lining does not need to be washed so often, and for practical reasons it is another thermal insulation layer. The cap is designed so that you hardly feel it under the helmet.
