Description

Blizzard brand ski helmet. The Ultralight Double Inmold construction ensures strength and durability. At the same time, the ski helmet has a low weight. Adjustable ventilation ensures excellent air circulation. The polyester lining is comfortable to wear and also antibacterial.

The advantage of a ski helmet is its adjustable size, which you can easily adapt to your needs. The black Blizzard helmet is ideal for all winter outdoor sports.

Take [a functional Blizzard cap](#) under your helmet, which has several advantages. For hygienic reasons, the helmet lining does not need to be washed so often, and for practical reasons it is another thermal insulation layer. The cap is designed so that you hardly feel it under the helmet.
