Suggested retail price: 19.99 € s DPH

Description

Blizzard winter hat. The knitted cap stands out with a high proportion of wool. It will therefore provide excellent thermal comfort even at low temperatures. The wool cap has a delicate pattern and a two-tone black-red combination. You can easily combine it with your winter clothes.

The winter cap is flexible and adapts to the circumference of the head. It has a classic cut that fits well. It is suitable for walking around the city or in your free time. The Blizzard cap will become your favorite companion in winter.
