### Description

Scarf brand BUFF. The multifunctional scarf will attract attention with a very nice and interesting design that is inspired by mountains and nature. An excellent choice for high-intensity outdoor activities such as running, trekking, bouldering, hiking, horse riding, cycling or motorcycling.

Buff scarf is synonymous with comfort when wearing. The bandana protects against ultraviolet radiation . The scarf for both ladies and gentlemen is designed with an emphasis on better sustainability, using exclusively polyester microfiber obtained from transparent plastic recycled bottles supplied and certified by REPREEVE®.
