**Suggested retail price:** 84.99 € s DPH

### Description

Bolle junior ski helmet. The ski helmet for children has a universal gray color and orange details. It is made by AVID technology with EPS. It will provide your children with the necessary protection and shock absorption in the event of a fall. At the same time, the Bolle ski helmet has a low weight. The children's ski helmet has nine ventilation holes that ensure the necessary air circulation during sports.

The gray ski helmet is suitable for both boys and girls. It has a pleasant fleece insole that will keep you warm even in bad weather. Perfect securing with the Click to Fit system will allow the ski helmet to fit well and thus perform its function correctly. An adjustable strap under the chin allows for a comfortable fit. At the back you will also find a clip for attaching ski goggles. If you are looking for an excellent quality-price ratio, you have just found it.
