Description

Volkl brand skis. Allmountain skis Deacon X are perfectly adapted to the needs of beginners. When you start skiing, you don't want to worry about too many things and you want to enjoy skiing from the first minute. With a 72mm underfoot and a rocker tip, the Deacon X women's and men's skis offer easy turns and a smooth ride on the slopes.

The VMotion1 system is compatible with GripWalk and makes getting into the binding very easy and always provides a great transfer of power to the skis.

Binding is included in the price of the skis.
