**Suggested retail price:** 549.99 € s DPH

### Description

Volkl brand skis. Versatile, light skis designed for riding in shorter turns. The wooden, flexible Full Sensor Woodcore core with steel reinforcement, the sidewall along the entire length and the Tip Rocker profile offer significant advantages - easy turning and stability at higher speeds.

The new vMotion binding strengthens the center of the ski, which gives the skis more dynamism, but more importantly, the new plate construction provides a more secure edge hold under the binding in demanding snow and ice conditions. The modern Marker VMotion tying system on the DEMO pad allows smooth adjustment of the tying distance. The back side of the Twin Cam Light binding makes it easier to put on and take off, they give the skis the rigidity to maintain the edges in demanding snow and ice conditions.

Binding is included in the price of the skis.

### Product details:

- sidecut: 122/73/103 mm
- length 163 cm: radius 14.3
- length 168 cm: radius 15.3
- length 173 cm: radius 16.3
- Core: Full Sensor Woodcore
- Binding: vMotion 10
- Rocker: Tip Rocker
- Skier level: advanced
- Ideal for a groomed slope
