### Description

Ziener ski gloves. Functional gloves are designed in a sporty design. Ski gloves are made of super soft material that provides comfort when wearing. The Thermoshield membrane will take care of warmth even during very adverse weather. Ziener gloves must not be missing in ski equipment.

The gloves for skiing have a warm lining, which will come in handy in frosty weather. The advantage is Primaloft technology, which is a guarantee of excellent insulation. Branded gloves are excellent companions for winter sports and winter outdoor activities.
