Description

Vans men's shoes. Men's shoes appeal with a modern yet timeless design. The upper is made of suede in combination with synthetic material for a higher level of durability. The tip is extra reinforced with additional material for better protection of the toes. The back side of men's shoes is also reinforced. Classic lacing ensures a good fixation of the foot. The side of the trendy shoes is decorated with the Vans logo.

The comfort of wearing Vans shoes is ensured by the soft insole and the padded collar of the shoe. The OrthoLite® insert also contributes to comfort. The UltraCush™ EVA midsole provides cushioning. The plus are the loops that will help when putting on and taking off shoes. Vans brown shoes are great companions for the city, work, everyday wear and leisure activities.
