Description

Bauer hockey stick. The Nexus E3 hockey stick offers everything you need to control the game at a recreational level and at a reasonable price. To take your game to the next level, the stick is equipped with ER technology, Cellcore blade technology and carbon fibers. The blade is made of 60% carbon fibers.

The Bauer hockey stick is ideal for those who want to shoot goals well. The branded hockey stick is made to be universal in all aspects on the ice. A big contribution to the overall weight reduction is the use of carbon fibers on most of the hockey stick, including the shaft and blade.
