Description

New Era cap. The branded cap impresses with the embroidered LA logo on the front. The embroidery with the New Era logo on the side also attracts attention. The New Era cap has mini vents that provide excellent air circulation.

The LA cap has a curved peak with fine stitching that will protect you from the sun and provide comfort. The trendy cap has a universal black color, so you can complete almost any outfit with it. You can easily customize the cap using the strap with a buckle, which you can find on the back. The 6-panel construction holds its shape nicely and sits well on the head. The New Era cap is an excellent choice for free time or summer vacation.
