Description

adidas originals cap. The cap has a trendy design and a classic black color. It will definitely complement your casual look. The upper part is made of canvas, which gives it the right flair. The black cap has an embroidered logo on the front. The ventilation holes on the sides will provide the necessary air flow.

The branded cap has an adjustable strap with a buckle at the back, with which you can adjust the cap individually. The sports cap also has a sweatband inside, which contributes to wearing comfort. The product supports the Better Cotton Initiative.
