Suggested retail price: 3999 € s DPH

Description

Mondraker electric mountain bike. If you want to enter the world of light ebikes with a powerful engine, this is the electric bike for you. Thanks to the optimized Bosch Performance Line CX Cruise GEN4 motor, which offers ideal cycling assistance, you can use the wireless Mini Remote, system controller and Intuvia 100 display to manage selectable modes and battery life.

The excellent features of an electric bike are comfort and low weight, which will allow you to experience a lot of fun on any type of terrain. Its RockShox Recon Silver RL fork with 120 mm of travel opens up possibilities for adventure and allows you to show off wherever you decide to ride.

Technical parameters
